

Pick Up A Book!

Chorus *Pick up a book, take a look
At the cover and the blurb,
If you like it dive inside it,
Lose yourself in every word.
Well, turn the telly off
And find a cosy little nook,
Where you can sit for a bit
And read a book!*

Verse 1 Well, there's Bilbo, Captain Hook and Harry P,
There's Matilda, Mr Toad and Tracey B,
Peter Rabbit, Winnie the Pooh,
The Hungry Caterpillar too,
And the Tiger who is coming round for tea!
Yes, each one has a story
They'd love to share with you
And if that tickles your fancy
Then you know just what to do.....

Chorus *Pick up a book.....*

Verse 2 How about a holiday to Neverland?
Well, a trip to Treasure Island would be grand.
Seeing Willy Wonka's place
Or Narnia, that would be ace!
Maybe down the rabbit hole to Wonderland?
They're only round the corner,
Not hard to travel to
And if that tickles your fancy
Then you know just what to do.....

Chorus *Pick up a book.....*
