**Code of Behaviour & Discipline Policy:**

While each class teacher is responsible for discipline in her room, the school has a written Code of Behaviour Policy.

This code outlines the behaviours pupils are expected to observe and the measures taken when there is a failure to do so.

A full copy is available on the school website.

**Parent's Association:**

St. Brigid's has a very active Parents Association and we are grateful for their continued help and assistance. During your child's time in St. Brigid's we would ask that you lend your support by your attendance at their functions or indeed by volunteering for the committee.

The P.A. co-ordinate many events including Teas & Tissues, the Book Fair, 6<sup>th</sup> class Graduation Reception, Communion Reception and lots more!

**Transport:**

If you wish to avail of the very limited arranged minibus service please contact: Paul on 0879102198. The contract for the provision of transport is made directly between individual parents and bus/taxi personnel.

**Specialist Lessons:**

All parents are required to pay a fee of €75 per pupil annually. (€85 for Jnr. Infants). This payment covers specialist teachers (eg: dancing, gymnastics, basketball) together with Art/Craft materials and photocopying for the year. The girls in 3rd, 4th & 5th Class also go to swimming classes during the year (extra payment). This payment can be made online using the Aladdin Connect App.

**Voluntary Contribution:**

Parents are encouraged to give whatever they can afford to help buy additional resources and equipment for the school. This money is used to supplement the running costs of the school.

As a guide most parents give between €5 and €10 monthly but any amount is greatly received. Parents can make any payments to the school electronically if they so wish or this money can be paid online via (Aladdin Connect App) the link emailed to parents.

The parent/teacher partnership is an integral part of your child's education and open communication is very important. There are a number of ways of promoting this aspect of school life.

## Health and Safety:

The health and safety of all the pupils is of primary concern to us.

### (a) Safety Statement:

The school has a full safety statement drawn up by the safety officer in co-operation with the Board of Management, staff and parents. This is available for inspection in the Principal's office. Fire drills are carried out on a regular basis.

### (b) Safety at the School Gate

- ◆ At 2.30 p.m. the pupils are brought to the gate by the teacher.
- ◆ A Traffic Warden is on duty and we ask that you co-operate with him/her.
- ◆ There is NO PARKING in the school grounds at any time nor can the entrance be used to turn cars.

Please observe the spaces allocated for the parking of minibuses, the two accessible parking spaces and the various road markings outside the gate.

- ◆ We also ask that parents refrain from parking or causing an obstruction in Addison Hall.

### (c) Health:

- ◆ If your child is to benefit from the educational programme please ensure that she gets proper sleep and eats proper meals.
- ◆ If your child is ill or has been ill through the night do not send her to school. Please consult the separate Medical Information Sheet for further details.

(d) In the interests of safeguarding our pupils all visitors to the school are asked to sign the visitors sign-in book before they report to reception.

## Absenteeism:

All absences must be explained in writing or via the Attendance Notes block on the Aladdin App. You can also use this facility to advise of late arrivals or early collections. Should you need your child to leave school early please send a note to the class teacher. Please do not collect your child between 12.30 p.m. and 1.00 p.m. as she will be in the yard. Pupils must be collected from reception when leaving early, they are not allowed to go alone to the school gate.

If your child is likely to be absent for a prolonged period please notify the school as soon as possible. In accordance with the Education Welfare Act, schools are legally obliged to report all absences of 20 days (even where there are written notes from parents). It is school policy to notify parents in writing when a child's absence has reached 15 days.

## Morning Club:

The Morning Club operates in the school from 8.00 am in the morning. Working parents find it helps with the morning rush.

**One Hour Club 1.30 to 2.30 p.m.** Our local crèche, Bizzy B's runs a childminding service in the school prefabs from 1.30 to 2.30pm Monday to Friday. Parents of Infants find it helpful. Contact Amanda on 018575262 or email [Bizzybs2@outlook.com](mailto:Bizzybs2@outlook.com) to find out more.

Please ensure that your child knows who is collecting her or how she is getting home. If your child is being collected regularly by a grandparent/child minder please let the class teacher know and if possible introduce them to the teacher. Where there is a change in the person collecting your child please let the class teacher know **in writing**.

At 1.30 p.m. dismissal time parent/guardians are asked to collect their pupils at exit doors 3 & 4, which are clearly marked. These exit doors are beside Junior/Senior Infant classrooms. Pupils will be individually released to parents/guardians. Parents are asked to ensure that grandparents/minders/relatives understand the collection process. Bus escorts/Taxi drivers & the One Hour Club person collect pupils at classroom doors.

## Values School:

Since September 2016, we at St. Brigid's, have been putting a whole-school focus on 'Human Values'. This school-wide focus on human values complements our ethos as a Catholic school. Each week within every classroom the children and teachers focus on a different value such as kindness, honesty, showing love, loyalty etc. The children are encouraged to think about a time when they showed the weekly value and they write about it in their values copies. This simple process has proven to boost children's self-esteem, confidence and good behaviour, along with having many positive effects within their social and academic lives. Along with the focus on a weekly value, we have monthly 'Values Assemblies' focusing on one of five main over-riding values. The five over-riding values are Truth, Right Action, Peace, Love and Non-Violence. Within these assemblies we sing songs relating to the values, listen to stories and also practise quiet reflection through silent heartfulness meditation/reflection time.

## Uniform:

The school uniform consists of:

School pinafore	1 School Tracksuit
School Jumper/Cardigan	1 White/Red polo shirt
White blouse	White / Green socks.
1 Green Dickie Bow	
1 pair of shoes/runners suitable for P.E./Dancing	

All items are available from Lynch's Drapery,  
130 Philipsburgh Ave., Marino Ph. 018375225.

The full school uniform should be worn every day.

A sew on/Iron on crest is available from the office for  
€3.50

The P.A. run a 2<sup>nd</sup> hand uniform sale in June each year.

## Jacket:

The pupils also need a warm coat or jacket clearly marked with their name.

An optional school jacket is available from Call Us Ltd.

In the course of the day the pupils may need the jacket for playtime or if they go outside with their teacher.

## Property:

All clothes and property such as books, coats, and lunch boxes should be clearly marked with your child's name. We would encourage you not to allow your child to bring expensive items such as jewellery, or other items of value to school as we cannot be responsible for same. Many pupils now own a mobile phone. The use of mobiles to phone or text is strictly forbidden during school hours. Pupils found using them will have them confiscated until the next school day or parents/guardians may be asked to collect them from the Principal's Office. Please refer to the Acceptable Usage Policy on the school website [www.stbrigid.ie](http://www.stbrigid.ie) for full information on the use of mobile devices.

## Jewellery:

Only a very limited amount of jewellery is permitted.

- Earrings: Where a child has pierced ears only small stud earrings may be worn.
- Pupils are also allowed to wear a watch and a small ring (e.g. signet ring / claddagh ring etc., if they wish.

## Lunches:

The school operates a Healthy Eating Policy which is available on the school website. We would suggest a nutritious lunch box. Sweet treats are only allowed on Fridays. We ask for your co-operation in keeping junk food out of the classroom. Please give juice/water instead of fizzy drinks. No glass containers are to be brought into school. Free milk is available each day for all pupils. Fruit is available to all pupils 3 days a week.

## Homework:

The school acknowledges the value of homework because:

1. It helps the girls develop the habit of study.
2. It enables them to learn how to organise and use free time.
3. It consolidates what is being done in class.

Time spent on homework is relative to the child's age. Each child has a homework notebook/folder/sheet and you are requested to oversee the homework and sign the journal, if in use. Your child will gradually become more independent in doing her homework .

Please contact the teacher if you feel that your child is persistently experiencing difficulties. A copy of the homework policy is available from the school and can be viewed on the school website.

## School Closures:

The school calendar is on page 8 of this booklet and it is also on the school website [www.stbrigid.ie](http://www.stbrigid.ie). There may be small amendments to same during the school year. We would ask that you refer to it throughout the year.

## Staff Meetings

Staff Meetings are usually held outside of school hours except in the case of DES sanctioned planning days. Parents will be notified of same well in advance.

## Exceptional Closures.

If, in the case of severe weather, malfunction of the heating or other such reason the school cannot be opened, a notice to this effect will be displayed outside the school before pupils arrive in the morning. A text will be sent to all parents as early as possible. Pupils will not then be admitted to the school.
